Fluctuations far from Equilibrium

We are glad to inform you that the 27th ITZYKSON CONFERENCE will be held from Wednesday, the 31st of May in the morning, to Friday the 2nd of June at the Institut de Physique Theorique (IPhT), CEA Universite de Paris-Saclay.

This year the ITZYKSON CONFERENCE will be devoted to "Fluctuations far from Equilibrium".

You can find more details on the web-page dedicated to this event:
<https://indico.in2p3.fr/event/29430/>

We hope that the conference will attract the interest of many participants. We would be grateful if you could register at : <https://indico.in2p3.fr/event/29430/registrations/3507/> This will take you a very little time but it will be of great help to us for practical matters.

Best regards,
Tomohiro Sasamoto, Laure Sauboy and Kirone Mallick.
